

REMARKS

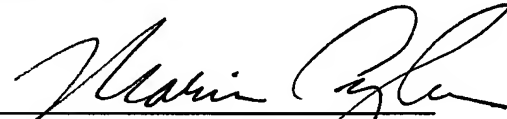

By this Preliminary Amendment, Applicants amend claims 1-6, which correspond to PCT Publication No. WO 2004/025063 A1.

These amended claims (claims 1-8) were mistakenly included with the English language translation of PCT Publication No. WO 2004/025063 A1 that Applicants filed with the USPTO on March 3, 2005. The English language translation of PCT Publication No. WO 2004/025063 A1 should properly only have included six (6) claims.

In a Response, filed herewith, to a Notification of Missing Requirements Under 35 USC § 371, claims 1-6 corresponding to PCT Publication No. WO 2004/025063 A1 are being properly presented and do not add any new matter.

While Applicants believe no fees are due with the filing of this preliminary amendment, please charge any deficiencies in fees associated with this filing to our Deposit Account No. 13-0235.

Respectfully submitted,
